

J. P. JAY NEWS

August 2017

Dog Days of Summer

Some of you may have noticed that July's Newsletter was MIA and August's is late. As mentioned in a previous newsletter, the summer is an extremely busy time of year as every school, college and university wants furniture installed prior to the start of classes. This is a good problem to have, but sometimes things like the Newsletter take a back seat.

With that being said, if you are in the market for any furniture or shelving, now would be a great time to get things moving. Lead times will soon drop back to where they normally should be.

J. P. Jay will be exhibiting at these upcoming conventions:

PaLA—October 16 & 17 at the Double Tree by Hilton in Pittsburgh, PA

CALCON—October 12 –14 at the Embassy Suites in Loveland, CO

WVLA—November 8—10 at The Greenbrier in White Sulphur Springs, WV

*We look forward to seeing you!

*“Everything you need
for a better future and
success has already
been written. And
guess what? All you
have to do is go to the
library.”*
